Lesson 5

Challenging the Leader

(Malachi 3:1-4, 6-12)

God was preparing the people for His return to His Temple. Malachi encouraged the priests to become better leaders.

God wanted to bless His people. He also wanted them to turn away from doing wrong. God said that the people had robbed Him by not paying tithes and offerings. God commanded them to bring all the tithes into His house.

The people must believe in God's Word and help the church. If so, then God promised to bless them so much that they would not have room for the blessings. God also promised to protect their crops. All nations would see this and call them blessed.

For the Parents

In today's lesson, your child heard that God does not change. Christians can be assured that God is faithful, and we can be secure and safe because God does not change. Your child can be richly blessed by a stable home environment and a predictable schedule. Life gets hectic, but as much as possible, create a welcoming, encouraging, and nurturing environment for your child and your entire family.
