ABOUT THE CONFERENCE

The Forty-second Annual SSPB Conference will convene as a virtual event on November 30–December 1, 2020. Over its forty-one-year history, the Conference has proven itself as a premier gathering of thousands of Christian educators. These pastors, teachers, church leaders, and people with a passion for the work in Christian education come together to take part in educating, celebrating, and collaborating toward God's reign in our lives.

The SSPB is excited to extend its Conference into the virtual arena. The Conference will still happen for our attendees; however, it will be an online event. The SSPB—like other institutional, academic, and educational players in the field—is affected by COVID-19 (Coronavirus). While the SSPB has decided not to go through with our annual physical event in Nashville as planned, the Conference experience will not be cancelled. COVID-19 has drastically altered the way businesses and indeed religious entities must conduct their affairs. The SSPB is no exception.

This virtual conference will include prerecorded and live presentations in the form of webinars. Attendees will be able to access various plenary sessions, expand their professional skills, and increase their knowledge base. Exhibitors will also discuss products and services for participants.

The Conference will formally begin at 8:00 a.m. CT on Monday, November 30—with the classes and seminars—and will end at 9:00 p.m. CT on Tuesday, December 1.

Our theme for this year is “*The Prophetic Call of the Beloved Community: Engaging the Culture through Transformational Love and Justice*” (Part II). We continue to equip today's Church with a clarion call to the Beloved Community—the community of faith.

- The Beloved Community is called to Love. (John 13:35)
- The Beloved Community is called to Personal Transformation. (Romans 12:1-2)
- The Beloved Community is called to Social Justice. (Micah 6:8)

We give God in Christ praise for the outstanding pastors, teachers, and facilitators who will be sharing their gifts of nurture with us. Their presence blesses us, and we are confident that God will place the Word within them that will help us in our efforts to do what God has called us to do.

We desire to utilize this year's Conference as another tool that helps participants become more equipped to engage our culture through the transformational love and justice motif espoused by Jesus. We thank God for His grace and mercy that afford us the opportunity to offer this Conference in His name.

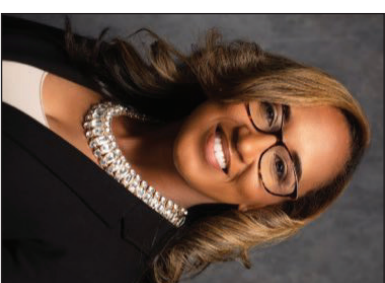

Whether you have attended the Conference year after year or are new to our event, we look forward to welcoming you this year.

SYNOPSIS OF CLASSES

CHURCH LEADERSHIP DIVISION

PASTORS' AND MINISTERS' SUBDIVISION

The Pastors' and Ministers' Subdivision is to aid pastors in understanding their role of moving people from membership to discipleship. Pastors will listen to strategies and share in discussions with other pastors regarding ministry for the twenty-first century. The afternoon sessions open each day with a joint session of preaching by one of our venerable NBCUSAI pastors of the age.

The Pastor's Alternative for Teacher Certification (PATC) is an alternative to Phase I of the Certificate of Progress Program (COPP) designed to provide an avenue for teacher certification for pastors with at least five years of pastoral experience. The student will receive a certificate for completing the PATC. The Pastor's Advanced Training Program (PATP) is an extended advanced study program intended for pastors and consists of Phases II-IV. If enrolled in this program, upon completion of the phases, the student will receive a *Diploma of Pastoral Studies*. A pastor may take these classes for general continuing education without enrolling for credit hours.
