FAITH PATHWAY ACTIVITY

Lesson 3: "Celebrating Expectantly"

Discussion Questions

1. What are some key lessons we can learn about Bartimaeus's approach to Jesus?

2. What activated the power that resulted in the healing for Bartimaeus?

3. What type of faith did Bartimaeus have?

Brainstorm

Reflect on the last time you encountered the poor and homeless in your community who asked for mercy in the form of money or a meal. What was your response? What would Jesus do? today.
